Additional Training/Study Commitment:

I understand that my pre-training assignment will be to take the Perspectives on the World Christian Movement Course for credit or certificate. I understand that this is a 15-week, college level course (either on-line or in person) which involves, each week, a 2-hour lecture, 100-200 pages of reading, a quiz, discussion or posting in forums, and a final paper. **THIS IS A MAJOR COMMITMENT, NOT TO BE UNDERTAKEN LIGHTLY.** I also understand that participation in class sessions, posting in weekly forums as well as passing marks on all weekly homework assignments is expected. Failure to successfully complete the Perspectives course as outlined above may result in dismissal from the SCSC program. I understand that reducing my anticipated Spring semester by 3 credit hours is highly recommended to compensate for this additional commitment.
