

FIGURE OUT THE WORD PROBLEMS.

---

1. Everyone brought something to the church dinner. Diane brought 30 rolls, but Ben ate 2 of them before they got to church. One roll fell off the platter and had to be thrown away. How many rolls were left?
2. Daniel brought 4 potatoes, 7 turnips, 6 peaches and 1 apple. How many food items did he bring?
3. Sarah brought 4 donuts, 7 cupcakes and 8 pieces of pie. Before dinner, Caleb ate 1 donut and RJ ate 2 pieces of pie. How many desserts were left?
4. Anna, Ryan and Dottie all brought corn to dinner. There were 42 ears of corn altogether. Ryan brought 22 ears of corn and Dottie brought 7. How many did Anna bring?
